

MONTGOMERY LMS

SensAsian

SensAsian is a new club founded by Niki Tripathi and Sanjana Saboo with a focus on increasing Asian cultural awareness. Through activities such as arts & crafts, dance, music, trivia games and more, LMS students will have the opportunity to expand their knowledge of various Asian cultures! This club will not promote any one culture over the other, nor is this club intended for only those of Asian heritage. In fact, all are encouraged to attend! We can't wait to make some amazing memories!

Please sign this form if you are allowing your child to attend the club.

The club will meet every Tuesday from 3-4 PM in LMS.

Contact: montysensasian@gmail.com if you have any questions/concerns!
